Ha, nothing's ever easy!

We're actually in Henderson, and getting to Vegas has proven nearly impossible....but the weather's nice and the meeting's been productive, so all is well.

Sorry again for the confusion!

We had exchanged emails this afternoon.

After NJDEP this morning, I came home to work. But Comcast had knocked out my internet service for 2 hours. When it came back on, my invitation went out and I got his email telling me you were okay with the Friday time. We sort of laughed and I suggested we let it ride unless I heard back from you.

As you can see, I sent out the re-invitation while you were writing this one. I'll let Rob know what transpired. He was looking forward to the call tomorrow anyway.

I hope that you are having a great time out there. It is a unique city.

Stan

Also, check with Rob to see how he wants to handle this.

Thanks

I am really sorry about all the confusion. We'll do whatever works for you. Sounds like I should put it back on for tomorrow afternoon at 1:30. Unless I hear otherwise, I will repost it this evening.

Just to clarify, I told Rob I can be available tomorrow at 1:30 to discuss the meeting with nj -- let me know the call in number.

If need be, we can talk again on Monday. Anytime works for me.

I am sorry Ray. I can change that. I will send out a new invitation in the morning.
Is there any time slot better for the two of you?
Stan

PS I think you will be pleased with the NJDEP response. I'll get a summary of that to you before this meeting.

Stan, I won't be able to make the call in the afternoon, but can do an early morning call.

Am trying to re-schedule this meeting for Monday December 3 at the same time (13:30-15:00) in order to accommodate the schedules of key personnel.

Will send a new invitation. Thanks for your understanding

Hope you can make it.
